Of General Interest

Hank Hubbard our Newsletter editor notified the board that he will be deployed until 1 October 2006 to the Hurricane Katrina Redevelopment Workforce for the U.S. Army Corps of Engineers. His work schedule will be extremely vigorous (6 ea 12 hour days per week) and he will not be able to maintain his position as the newsletter editor. **We need your help** – the club needs a member to step up and help us through the remainder of 2006. Email either Lennie or George that you'll help out -- Lennie Schrimsher-H lenschrim@bellsouth.net or George Snellen <gsnellen@skytel.com>

The club wish Hank well on the deployment and look forward to his return . Be safe Hank.

Be sure to visit the new website, you're sure to be well-pleased with the new look.

Our March meeting was highlighted by an energetic, enthusiastic presentation by Richard King of Eagle Collision Center, Inc. as previously mentioned. His presentation primarily focused on what NOT to do and what TO do when preparing your vehicle for a professional paint job. This was a very informative and useful presentation for the club members and if you didn't make it to hear it, **you missed a good one!!** Photos are attached.

New Website Look

Go to our website and take a gander at the new look of our website. It is really shaping up to be a website to be doubly proud of, thanks to the hard work and collaboration of John Burnham and Jud Hudson. Jud has been sending those of you with e-mail addresses information on the website, as well as some forms that will assist him in getting the website properly set up. Take a few minutes and help him to help us.
