Message from the Club President

Hello TVMC members,

It is with great pleasure that I come to you this month welcoming new and returning members to the Tennessee Valley Mopar Club. There is nothing more gratifying than watching an organization grow and mature. This is especially true for me as we welcome new members into the Tennessee Valley Mopar Club. I encourage each of our current members to send them a warm welcome and I also challenge each new member to become active in club functions and participate as much as your schedules permit. There is a wealth of MOPAR knowledge within the club membership and I encourage you to tap into it and share the lessons you've learned while participating in this wonderful hobby.

Please join me in welcoming:

Mr. Bob Reed and family of Madison, Mr. Jon Turis of Owens Cross Roads, Mr. Will Whitt of Huntsville, Mr. Lyle Palmer and family of Northport, Mr. Jimmy Leatherwood and family of Leighton, Mr. Paul Wright and family of Huntsville, Mr. Christopher “Chuck” Gamble and family of Cleveland, Mr. Ray Bard of Decatur, Mr. Brandon Lovell of Fayetteville, Mr. Eugene Richards of Lacey Springs and Mr. Roy Gronau and family of Hampton Cove,

Again, I extend a warm welcome to each new club member.

Sincerely,

**Lennie Schrimsher
President
Tennessee Valley Mopar Club**

New Website Look

Go to our website and take a gander at the new look of our website. It is really shaping up to be a website to be doubly proud of, thanks to the hard work and collaboration of John Burnham and Jud Hudson. Jud has been sending those of you with e-mail addresses information on the website, as well as some forms that will assist him in getting the website properly set up. Take a few minutes and help him to help us.

Job well done!!

Greetings

If you have any items or issues you would like to bring before the general membership, please email me and I will include in this newsletter. If you have a presentation that you would like to present at the general membership meetings please email me. I also invite you to send me any Swap Shop items. Please remember to let me know when items sell so I can remove them from the shop. I will run them indefinitely as long as the section does not grow too large. See you on the 19th.
