October Meeting

The following is a condensed rundown of the October meeting

The first order of business was announcing two new members to our club membership. Welcome to James and Violetta Wilson of Killen and Peter Shreeves of Ardmore.

The club has also elected to continue our TVMC Cruise-In. But, the time of the month will change to the third Saturday of the month to de-conflict with the cruise-ins already in place in Gurley and New Hope. So, our next Cruise-In will be the same date as our next club meeting on 18 November. Get the wax out and shine her up for next month.

Mark your calendars for December 9th. We will be having the club Christmas Dinner at Greenbrier Restaurant located at the corner of Greenbrier Rd. and Old Hiway 20. This occasion will also be our December club meeting.

Mopar Muscle Magazine is sponsoring a website to allow Mopar owners to upload their videos to Mo-pod.com. If you're interested in creating a video of your Mopar contact a club officer for information.

After club business was completed we were witness to a great Mopar Nationals Presentation by Clif and Stella Broderick. Clif showed wonderful pictures and told stories that brought the Nationals to life for us. We enjoyed the radiator fan story and seeing Clif drool over his all time favorite car "The High and Mighty". We also had a super presentation on the Walter P. Chrysler Museum delivered by Doug Eagan. Thanks to the both of you for sharing your Mopar memories with us.

Special Events

On the 24th of October the club supported Huntsville Dodge for their celebrated introduction of the Nitro. We had a good number of cars and members present for the celebration. Thanks to all who participated.

New Website Look

Go to our website and take a gander at the new look of our website. It is really shaping up to be a website to be doubly proud of, thanks to the hard work and collaboration of John Burnham and Jud Hudson. Jud has been sending those of you with e-mail addresses information on the website, as well as some forms that will assist him in getting the website properly set up. Take a few minutes and help him to help us.

Job well done!!

Editors Corner

Greetings

Club members Brady and Palmer, please contact me and update your listings in the Swap Shop.

If you have any items or issues you would like to bring before the general membership, please email me and I will include it in this newsletter. We are currently looking for Tech Articles and presentations to present at the general membership meetings. If you have had experience with tech issues or would like to discuss your personal Mopar restoration, we are looking for you. Don't be shy! I also invite you to send me any Swap Shop items.

****Please remember to let me know when items sell so I can remove them from the shop. I will run them indefinitely as long as the section does not grow too large.****
