If you are on the Memorial Parkway, exit on Oakwood going east. The Optimist Recreation Center is the 2<sup>nd</sup> left past Andrew Jackson Way.

## Message from the Club President

Hello TVMC members,

It is time again for TVMC officer elections. The following is a confirmed list of club members that have been nominated for the officer positions listed by each name. I encourage each and every one of you to consider who you would like to see in each VACANT officer position for the next year. Please feel free to nominate club members for these two positions to include self-nomination for a position that may interest you. It is not necessary to ask another member to nominate you. Only you know if you're truly interested in the job. The nominations will remain open until midnight, 05 October 2006. Bob will publish a special newsletter in early October asking for a confirmation vote on the nominees. Email Bob Glover or myself with your nominations.

**Confirmed Nomination list:**

**August Meeting**

Those of you who were unable to attend the August meeting of the Tennessee Valley Mopar Club missed a superb class on the inner workings of the standard two-barrel carburetor presented by George Snellen. Again, George provided an educational experience for those of us who are less technically inclined. George covered the various components of the carburetor and methods of tuning. It was a great refresher class and I really enjoyed it. Oh, by the way, the two and four barrel theory is the same!

There was also a club Cruise-in at the Dairy Queen on 72 in Madison. Quite a few club members were present and we had 7 classic Mopars to admire and talk about. A good time was had be all.

**Of General Interest**

**New Website Look**

Go to our website and take a gander at the new look of our website. It is really shaping up to be a website to be doubly proud of, thanks to the hard work and collaboration of John Burnham and Jud Hudson. Jud has been sending those of you with e-mail addresses information on the website, as well as some forms that will assist him in getting the website properly set up. Take a few minutes and help him to help us.

Job well done!!

**Editors Corner**

Greetings

If you have any items or issues you would like to bring before the general membership, please email me and I will include it in this newsletter. We are currently looking for Tech Articles and presentations to present at the general membership meetings. If you have had experience with tech issues or would like to discuss your personal Mopar restoration, we are looking for you. Don't be shy! I also invite you to send me any Swap Shop items. *Please remember to let me know when items sell so I can remove them from the shop.* I will run them indefinitely as long as the section does not grow too large.
