December Meeting

Well, since the last newsletter we have opened the presents under the Christmas tree, drank a glass of Eggnog, watched the ball drop in NYC and drank a toast to the New Year. Last month we met at the Greenbrier Restaurant for our annual Christmas social. It was a very special evening for all of us. My family and I really enjoyed spending time with many of you Moparites. I hope more of you can join us next year for this special event.

Cruise-In Corner

**Upcoming Cruise-In Dates:
Saturday, January 20**

TVMC would like to welcome all Mopar car owners to the Dairy Queen off Highway 72 located in Madison, Al. No prizes or trophies, it's just a fun get-together for us Mopar fans to just hang out.

Don't forget, the Cruise-In schedule for the winter months has changed. We will now hold them on the **3rd Saturday at 7:00 PM**. Please be there (it may be cold, so don't forget your favorite Mopar jacket).

New Website Look

Go to our website and take a gander at the new look. John Burnham and Jud Hudson have done an outstanding job with the TVMC Website. Jud has been sending those of you with e-mail addresses information on the website, as well as some forms that will assist him in getting the website properly set up. Take a few minutes and help him to help us.

Editor's Corner

Greetings

Happy New Year to all you Mopar heads out there. I hope you had a great holiday season and are gearing up for 2007. Lennie and the rest of the officers have gotten off the line early this year with the "Show & Go" planning. I believe this year's show may end up being one of the best yet for the TVMC. I have already had success with getting our show into the events calendar for at least one of the major Mopar publications and I'm still working on the other two. I want to personally ask each of you to think about donating some of your time this year to assist in the planning and execution of this years show.

If you have any items or issues you would like to bring before the general membership, please email me and I will include it in this newsletter. We are currently looking for Tech Articles and presentations to present at the general membership meetings. Poor George is going to run out of material if we keep tapping him for tech classes. If you have had experience with tech issues or would like to discuss your personal Mopar restoration, we are looking for you. Don't be shy! I also invite you to send me any Swap Shop items.

****Please remember to let me know when items sell so I can remove them from the shop. I will run them indefinitely as long as the section does not grow too large.****

Bob

Swap Shop

I have left the Swap Shop items as is for this month since the owners of the information did not contact me with changes.

(The club does not accept responsibility for typographical errors, incorrect prices and other claims as to condition, or owner claims. Direct contact with the seller is required for confirmation of the above.)

Member John Bynum has a 1972 Challenger body for sale. The car is not complete but is in good condition for the parts that are there. John also has a 1980 VW diesel pickup for sale and 3 Rabbits for parts cars. He may be reached at 931-967-4499 or by email at johnwbynum@bellsouth.net
