## **Message from the President**

Hello Club Members

We are less than a week from our largest club event of the year this Saturday, June 14. I am asking your personal help in spreading the message about our show. Please consider the following list as ways of telling people about it;

- 1) Tell/call people about our website [www.tvmoparclub.com](http://www.tvmoparclub.com)
- 2) Go to website and print the flyer to handout in local businesses and parts houses
- 3) Call/E-mail your friends who live out of town
- 4) Talk to people at car shows/cruise-in's
- 5) Post a flyer in the window of your favorite Mopar
- 6) Plan to bring and enter your favorite Mopars in any of the categories

Thanks to those who have volunteered to help on show day. We still need a few volunteers. The setup starts at 6:00 am. We have jobs in registration, judging, admission, classing, parking, swap meet and car corral. If you can't be there at the crack of dawn we'll accept your help anytime during the day. Please consider, it is not hard work but a lot of fun.

See you there!

Lennie Schrimsher

### Website

A huge “thank you” and “congratulations” to Judson Hudson for the tremendous work he has done over the last month moving our website to a new provider. If you have not visited the TVMC website lately, do so. It has a new look, new feel and lots of forums to participate in. If you have events or other things that need to go on the TVMC website, contact Jud and he will be happy to post it for you. Jud and John have done an outstanding job with the TVMC Website and are in need of information to post. Don't forget that we are looking for club members to post pictures of their cars on the website. Send those car pictures to Jud today. We are also looking for tech information to post. If you have 1<sup>st</sup> hand experience with any Mopar subject, please write it up and send it to Jud for posting.
