Special Election Edition

The next meeting is 18 October 2008 at The Optimist Club, from 0800-1000a.m. Attached is a map showing where the club is located.

Hello all. Come on out and join us this weekend for our October General Membership meeting. We have a lot of ground to cover this month. First, October is when we annually elect club officers and will be doing so this weekend. See more on this in my column below. Second, we will be viewing a film of the Mopar Nationals, "Tribute to the Barracuda" that Jud found recently. Thirdly, we are having Show and Tell again. Please bring in items or products that "Worked as Advertised" while you were repairing or restoring your Mopar. The idea is to share ideas that will help the rest of us avoid pitfalls.

703 Oakwood Ave, Huntsville, AL, 256-427-5775

If you are on the Memorial Parkway, exit on Oakwood going east. The Optimist Recreation Center is the 2nd left past Andrew Jackson Way.

September Meeting

Well, last month we had a very interesting meeting. We had general discussions that touched on various subjects from rear differential failures, to rods, to Lennie's very informative discussion on transmission speedometer gears. Overall, a good time was had by all and much good conversation resulted. Be sure to attend this month as we will be having officer elections. As usual, we will continue to bring you informative and illustrative presentations.

Editor's Corner

Hello again Mopar heads!! Another month has come and gone and fall is fast approaching. Cool weather is moving in and now is a good time to get out and work on that Mopar. I mentioned last month that work was progressing well on the new garage. All the walls are now insulated and the ceiling is about 1/3rd done. Only 9 more rolls to install and I will be ready to begin installing ceiling material. Now that the garage is coming along and I'm anxiously anticipating finishing it up and getting down to working on my cars; there is yet another Mopar project lined up at my door! Grant is the proud new owner of a 1986 Ram Charger. Look for upcoming project pictures and informative presentations on his new Mopar ride.

Now, let's get down to business. This is election month for our club. Elections will be held this Saturday, 18 October, during our monthly General Membership meeting.

Currently the slate of officers up for election are:

Lennie Schrimsher – President
George Zoller – Vice President
Clif Broderick – Treasurer
Stella Broderick – Secretary
Bob Glover – Newsletter Editor
Tony Hill – Resource Director
Jud Hudson - TVMC Webmaster

Any club member who is interested in a TVMC officer position can volunteer from the floor on Saturday 18 October or send their request into myself by email. Lennie, our club president is asking that each and every one of us attend and vote on the 2009 officer slate. If you cannot make the meeting, I will accept email nominations and votes on the presented or amended slate until 9 p.m. CDT, Friday 17 October. Please reply with any nominations, votes or questions to this email address. This is a very important event and we need the support of each and every one of you members. We are always looking for the fresh ideas and insight that new officers bring to the table. If you or someone you know in the club is interested in a position, please nominate and vote this Saturday.

Mark your calendars, our Annual TVMC Christmas party will be on SAT 13 December 2008 at 6:30 pm -- 9:00 pm. The location will be Oh! Bryan's Family Steakhouse –2136 Highway 72 East. The club will pay for any meal up to \$10.00 and any drink up to \$1.79 for paid club members and immediate family. Anyone selecting a meal or drink above these agreed upon prices will have to pay the difference to Clif Broderick who will be paying the total bill. Feel free to bring visitors and prospective new members but their meals will not be covered by the club.

I'm looking for other member project photos and stories to go in future issues of the Newsletter Project Page. Send me yours today! Many, many thanks to Roy, Pete and Chris for sending updates on their project cars.

Until next time.....

Bob
