Editor's Corner

ZERO CHANCE OF RAIN SATURDAY!

This coming weekend at the Huntsville Dragway, the Tennessee Valley Mopar Club will be celebrating its 11th birthday. Come out early and enjoy a day-in-the-sun with fellow enthusiasts. The show centers around racing – after all that's what we do best! But of course there are plenty of trophies to be had and a great “goody bag” with lots of free stuff for your enjoyment. Walk around the grounds and pick up that “hard-to-find” part you've been looking for.

So, go out and enjoy the camaraderie and fellowship of this great annual event!

Alert from Bob Bentley. He, Luci and the Antique Car Club of Huntsville are formally extending an invitation for all TVMC members to participate in a Corn Boil at Bob's residence on the **4th of July**. Several members went last year and had a super time. There was lots of good food and cool old cars to view and talk about.

All club members and family are invited to attend. The feast begins at 4 p.m. and last for as long as folks are interested in eating and talking about cars. Drive your ride as there are about 3 acres of parking in front of Bob's home. Additionally, there will be a trip 1/2 mile down the road to Bragg Farms to take a look at Mr. Braggs collection of antique and collectable tractors. If folks want to participate in the trip to the Braggs they need to show up by 3:30 p.m. at Bob's. Please RSVP to Bob and Luci at their email in the cc line or call 256-828-4226 by the 1st or 2nd of July.

Directions to Bob and Luci's is real easy. Take the N. Parkway up through Meridianville, past Meridianville Middle School to Grimwood Road, second red-light past Steger's curve. Take a left on Grimwood and they are on the left about 2 miles down. The address is 744 Grimwood and look for the LARGE farmers windmill in the front yard, and the antique cars!
