Editor's Rant

2010 is here. Hope you all enjoyed the Holidays and that you are off to a great and exciting New Year. Did you get that classic Mopar gift you wanted? Thanks to Tim Snitger and Gary English your Newsletter Editor did. Those guys know a lot about Mopars and were kind enough to fix some minor problems I had with my Cuda at a very reasonable cost. I now have 440 Hockey stripes, the passenger door closes better and the passenger quarter window closes all the way. I also purchased a lower windshield stainless piece off ebay and sent it out to Danny Kilburn (Dans Polishing & Chrome) and it was returned in only 3 weeks in "as new" condition. The Javelin now has new front & back seats (Norm's Upholstery), I installed the extra Dynamat that was left over after insulating my Cuda and I have begun purchasing bolt-ons for the engine. Just in case you did not know, this "low budget project" is one that I will be completing by myself – except for body & paint which I plan on having finished by one of the premier body shops in Huntsville – MAACO! Enough about me, need you guys to step up and provide some info on your projects – email me at roy.k.gronau@boeing.com and I'll get it into next months newsletter – C'mon help me out!

I asked each of you readers to provide a car related resolution for 2010. Here's what I received:

NOTHING!!

Please remember to submit your 2010 Dues as soon as possible.

Respectfully submitted,
Roy
