Editor's Notes

August has come and gone, and it's still hot. I hope everyone is enjoying their summer in spite of the weather. August was a busy month for most Huntsville car enthusiasts. Saturday, August 7th, was the monthly cruise in Athens, hosted by radio station 100.3 "The River". Then, the Fellowship of Faith Car Show was held on the 14th that directly competed with the 10th Annual Car & Truck Show in Ardmore, TN. I managed to go to both and was impressed with the food and range of collector cars that are in this fine northern Alabama area.

August 21st Priceville held their Annual Cruise in at the Veteran's park on Hwy 67. This was only \$5 to enter and was a real treat. If you haven't made that show you should do so in the future. A week later Killen had a fine turn out of cars at the Brooks High School car show that was sponsored by Brooks Scholar Bowl.

Finally, last weekend was one of the best opportunities this year to attend a show with events taking place in Arab, New Market, Florence, and Shelbyville. This weekend is also providing plenty of opportunities to finish up the summer with shows here in Huntsville (Hooters), Decatur (Steak & Shake), and Hartselle (Depot Days) just to name a few. This is always a great community event, featuring fun and games, good food, and some of the best fireworks you'll see. So come on out and join us for an evening of fun. The show fills up fast so get there early.

That's all for now. Hope to see you cruisin' soon.
